3 Organising Authority

The organising authority for the event is Birkenhead Radio Sailing & Power Club

4 Rules

The event will be governed by the current version of the following rules:

- Racing Rules of Sailing as changed by the RRS Appendix E
- MYA Standard Sailing Instructions
- The RYA Racing Charter
- IOM Class Rules
- Heat Management System (HMS)

Before the event, copies of the above may be found either in the Event Documents section of the MYA Knowledge Base see <https://mya-uk.co.uk/kb-home/kb-race-and-event-docs-documents/> and for the Class Rules on the [IOMICA website](#).

5 Entries & Eligibility

Entry is open to all MYA affiliated members and is also open to members of foreign clubs affiliated to a Delegated National Member of IRSA.

The number of entries shall be limited by the provisions of the Heat Management System (HMS).

Competitors will be notified of any necessary changes to sail numbers in the event of a clash.

Entries are requested before the event using the online booking system on the BRSPC website (by clicking [here](#)), so that the club has an indication of numbers attending. Entries may also be made on the day or by e-mail providing details of the competitors name, sail number, boat design, MYA number, phone and emergency contact details to the contact below.

The contact for entries, or or any questions regarding the event is:

Contact Name Graham Elliott, 71, Mill Hill Road, Irby, Wirral

Email: elliottyachts@hotmail.co.uk

Tel: 0151 678 4134

6 Entry Fees

This event will not have the normal entry fee and instead will be a "Secret Santa" event, where all entries should bring along a wrapped gift (no bottles as gifts please) to the value of at least £5 which will be handed over at Registration. Prizegiving will be replaced by each competitor allowed to choose their "gift" in their order of finishing.

7 Parking

There is free parking on site and on the street for cars, but due to the narrow gate width and limited car spacing within the club compound, we would ask that any skippers with motor-homes park outside of the club gates on Gautby Road. It may be necessary for some cars to park on Gautby Road if there are a large number of entries or the grassed areas are soft through rain. For any questions on this and relevant security issues please contact us.

8 Refreshments

We plan to make hot and cold drinks and a small selection of snacks available to purchase in the club house.

9 Toilet facilities

Toilets are available in the club house adjacent to the lake.

10 Registration

Registration will take place as per the schedule in Section 1

The following shall be presented to the Race Committee at the time requested during the event:

- All boats must be registered with, and display a sail number issued by their Class Registrar or their personal sail number.
- If applicable, the owner's valid personal sail number certificate
- Emergency Contact details if this has changed or was not supplied when an entry was made.

If any of the above documents are not available at the event, but a competitor claims that they exist, the competitor shall sign a declaration to that effect and send a copy of the missing document to the Race Committee within seven days of the end of the event.

11 Measurement

The Race Committee may direct that boats in the event shall be check measured. Random spot checks may be conducted throughout the duration of the event.

16 Competitors with Disabilities

Competitors that require any form of help or special requirements should, prior to entry, get in touch with the club contact given in Section 5 to check if the club is able to help with the provision of any special requirements. The onus is on a competitor to establish whether the available facilities are adequate before deciding to enter the event

17 Prizes and trophies

Each entry will get to choose a gift from those brought by other competitors.

18 Accommodation.

There are several hotels from different chains (Travelodge, Premier Inn, Village Hotels, HI Express etc) within 5 miles of the club. There are also a number of suggestions on the Wirral [website](#) or on the [BRS&PC](#) website.

19 Risk Statement

19.1 RRS 3 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

19.2 Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their boat and their other property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, recovery boat and other officials and volunteers by the event organiser, does not relieve them of their own responsibilities;
- f) The provision of recovery boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any briefing held for the event.

The Model Yachting Association, the organising authority, the host club and any other parties involved in the organisation of this event disclaim any and every responsibility whatsoever for loss, damage, injury or inconvenience that might occur to persons and goods both ashore or on the water as a consequence of entering or participating in the event covered by this Notice of Race.
